WELCOME TO THE **MEGA MAKERS!**

Inventor's Notebook

In these pages, you will find out more about Jesus' love for you. The more you get to know him, the bigger and bigger you discover his love is for you. Jesus' followers found this out as they travelled with Jesus.

You will join them on their journey as you read for yourself the stories in the Bible that you have been hearing at **Mega Makers!** Plus... **DID YOU KNOW?** facts pages, puzzles, talk with God suggestions, space for you to record your own thoughts and lots more.

The Bible is split into two sections (the Old Testament and the New Testament). These two sections are split into books (the Old Testament has 39 books and the New Testament has 27). The books are split into chapters and those chapters are split into verses. Sometimes you'll see a Bible verse written like this: **Matthew 8:26**. Here is how you tell which verse to read:

Matthew means we need to look for the Bible book of Matthew. If you are not sure where that is look for the contents page near the beginning of the Bible.

Matthew 8 : 26

8 means we need to look for the big number 8; we call it chapter 8.

26 means we need to look for the little number 26; we call it verse 26.

INVENTOR'S MEGA CODE BREAKER!

Paul, one of the first people to travel around Europe telling people about Jesus, wrote to the Christians who lived in Ephesus to remind them to be strong in their faith. He wanted them to know how wide, how long, how high and how deep Jesus Christ's love was for them. Here is what he wrote in code. It is the Learn and remember verse for **Mega Makers!**

Ephesians 3:18 (GNB)

MEGA INVENTIONS

At **Mega Makers!** we will watch the launch of the Mega Machine, which amazingly enlarges a small object into something much bigger! It is a picture of how the more we discover about God's love for us, the bigger and bigger we discover his love is. Wow!

As you will have guessed, the machine does not really enlarge things. It is an imaginary invention. But God's inventions are real. After all, he created the whole world. As human beings we are like God in that we also invent things. From the beginning of time mankind has invented different tools, ways of cooking, ways of living and so much more.

Use the codebreaker on page 4 to work out the names of six things that have been invented in the last 10 years.

What other modern inventions can you think of?
Who invented them?
